

TRANSNET PIPELINES PARTNERS WITH VOPAK TO BID FOR RICHARDS BAY LNG TERMINAL

[17 February 2023] Transnet Pipelines is pleased to announce that it has selected Vopak Terminal Durban (Pty) Ltd as its preferred partner to jointly bid for the Transnet National Ports Authority S56 Request for Proposal to appoint a Terminal Operator for the LNG Terminal in the Port of Richards Bay. This marks an important milestone in Transnet Pipelines' long term growth plans and its energy transition drive from oil to gas.

The two parties are currently concluding the Joint Development Agreement and look forward to a successful partnership.
