

TRANSNET INVESTIGATING ALLEGATIONS OF "GHOST TRAIN" OPERATIONS

[Johannesburg, 27 March 2023] Transnet SOC Ltd. ('Transnet') is investigating allegations of "ghost trains", implicating some Transnet employees and third parties.

"Ghost trains" are trains not scheduled formally by Transnet, with revenue not flowing back to Transnet.

Considering that these serious allegations have not yet been accompanied by supporting evidence, Transnet has referred the allegations for independent investigation.

In the course of the investigation, the whistle-blowers, implicated persons and relevant customers mentioned will all be approached for statements.

To the extent that the allegations are proven correct, Transnet will act swiftly. In advance, we appreciate the transparent collaboration of all involved.

Any further updates will be provided at the appropriate time.
