

## **Transnet response on letter from Durban Chamber of Commerce and Industry**

**[Johannesburg, 15 September, 2023]** Transnet SOC Ltd (Transnet), has been made aware of a letter from the Durban Chamber of Commerce and Industry, expressing concern about operations at the City's port, and calling for the removal of the Transnet leadership as a solution.

Transnet's Group CE Portia Derby met with the Mayor of eThekweni, Cllr Mxolisi Kaunda and the CEO of the Chamber, Palesa Phili, on the sidelines of another engagement in Durban this morning, and the parties have agreed to collaborate on finding solutions to the pressing challenges. A meeting will be held as a matter of urgency to discuss the critical issues which cause frustration to the members of the Chamber. After this meeting a joint statement will be issued by the parties, detailing the interventions to be implemented by Transnet.

**Issued on behalf of Transnet SOC Ltd.**
